

### **PhD Fellowship in Polymer Chemistry**

A PhD Fellowship in Polymer Chemistry is available under the supervision of Dr. Sardon at the Basque Center for Macromolecular Design and Engineering, POLYMAT Fundazioa ([www.polymat.eu](http://www.polymat.eu)).

Applicants must have a BSc and MSc in Polymer Chemistry with a strong background in Polymer Synthesis and Characterization and previous experience in the preparation of polymers using sustainable polymerization methods.

Good command of written and spoken English is a must (if preselected, a telephone interview will be carried out before any other appointment is made). The selected candidate is expected to conduct research, write papers, and deliver a PhD thesis.

Applications should be addressed to Dr. Sardon and sent via email in one single PDF to [haritz.sardon@ehu.es](mailto:haritz.sardon@ehu.es) before the 15/10/2018 (applications will be considered upon arrival) including:

1. (i) curriculum vitae.
2. (ii) a short description of previous research (1-2 Pages).
3. (iii) the names and contact addresses (e-mail) of two referees.

Please note that *because of the large number of applications expected*, we will not be able to give individual *feedback* to unsuccessful applications.

POLYMAT has obtained the 'HR Excellence in Research award'. The award reflects our commitment to continuously improve our human resource policies in line with the European Charter for Researchers, the Code of Conduct for the Recruitment of Researchers and our commitment to achieve fair and transparent recruitment and appraisal procedures.
