

POLYMAT

PhD Fellowship in Chemistry

A PhD Fellowship in Chemistry in the framework of the program *Formación del Personal Investigador (FPI)* is available in the group of Prof. Aurelio Mateo-Alonso at POLYMAT's Basque Center for Macromolecular Design and Engineering (www.polymat.eu).

Synthesis of Conjugated Macromolecules for Electronic Applications

Applicants must have a BSc and MSc in Chemistry with a strong background in Organic Chemistry and previous experience in Synthetic Organic Chemistry.

Applications should be **addressed to Prof. Aurelio Mateo Alonso** and sent via email in **one single PDF** to molsupramolgroup@polymat.eu before the **10th October 2017** (applications will be considered upon arrival) including:

- (i) a cover letter highlighting their interest in the position.
- (ii) curriculum vitae.
- (iii) a short description of previous research (1-2 Pages).
- (iv) the names and contact addresses (e-mail) of two academic referees.

Please note that because of the large number of applications expected, we will not be able to give individual feedback to unsuccessful applications.
