

Postdoctoral Interim contract position available

1 Postdoctoral Interim contract position is available in the group of Polymerization Processes. at the Basque Center for Macromolecular Design and Engineering, POLYMAT Fundazioa (www.polymat.eu).

We are seeking highly motivated PhDs with good background in waterborne dispersed polymers and a good command of written and spoken English.

Applications from PhD students waiting for the Thesis defense will also be considered.

Immediate incorporation is required.

Applications should be sent via email before November 7th, 2018 to nicholas.ballard@polymat.eu in one single PDF file that includes:

- (i) A cover letter highlighting their interest in the position
- (ii) Curriculum Vitae.
- (iii) A short description of previous research (1-2 Pages).
- (iv) The names and contact addresses (e-mail) of two academic referees

Please note that *because of the large number of applications expected, we will not be able to give individual feedback to unsuccessful applications.*
