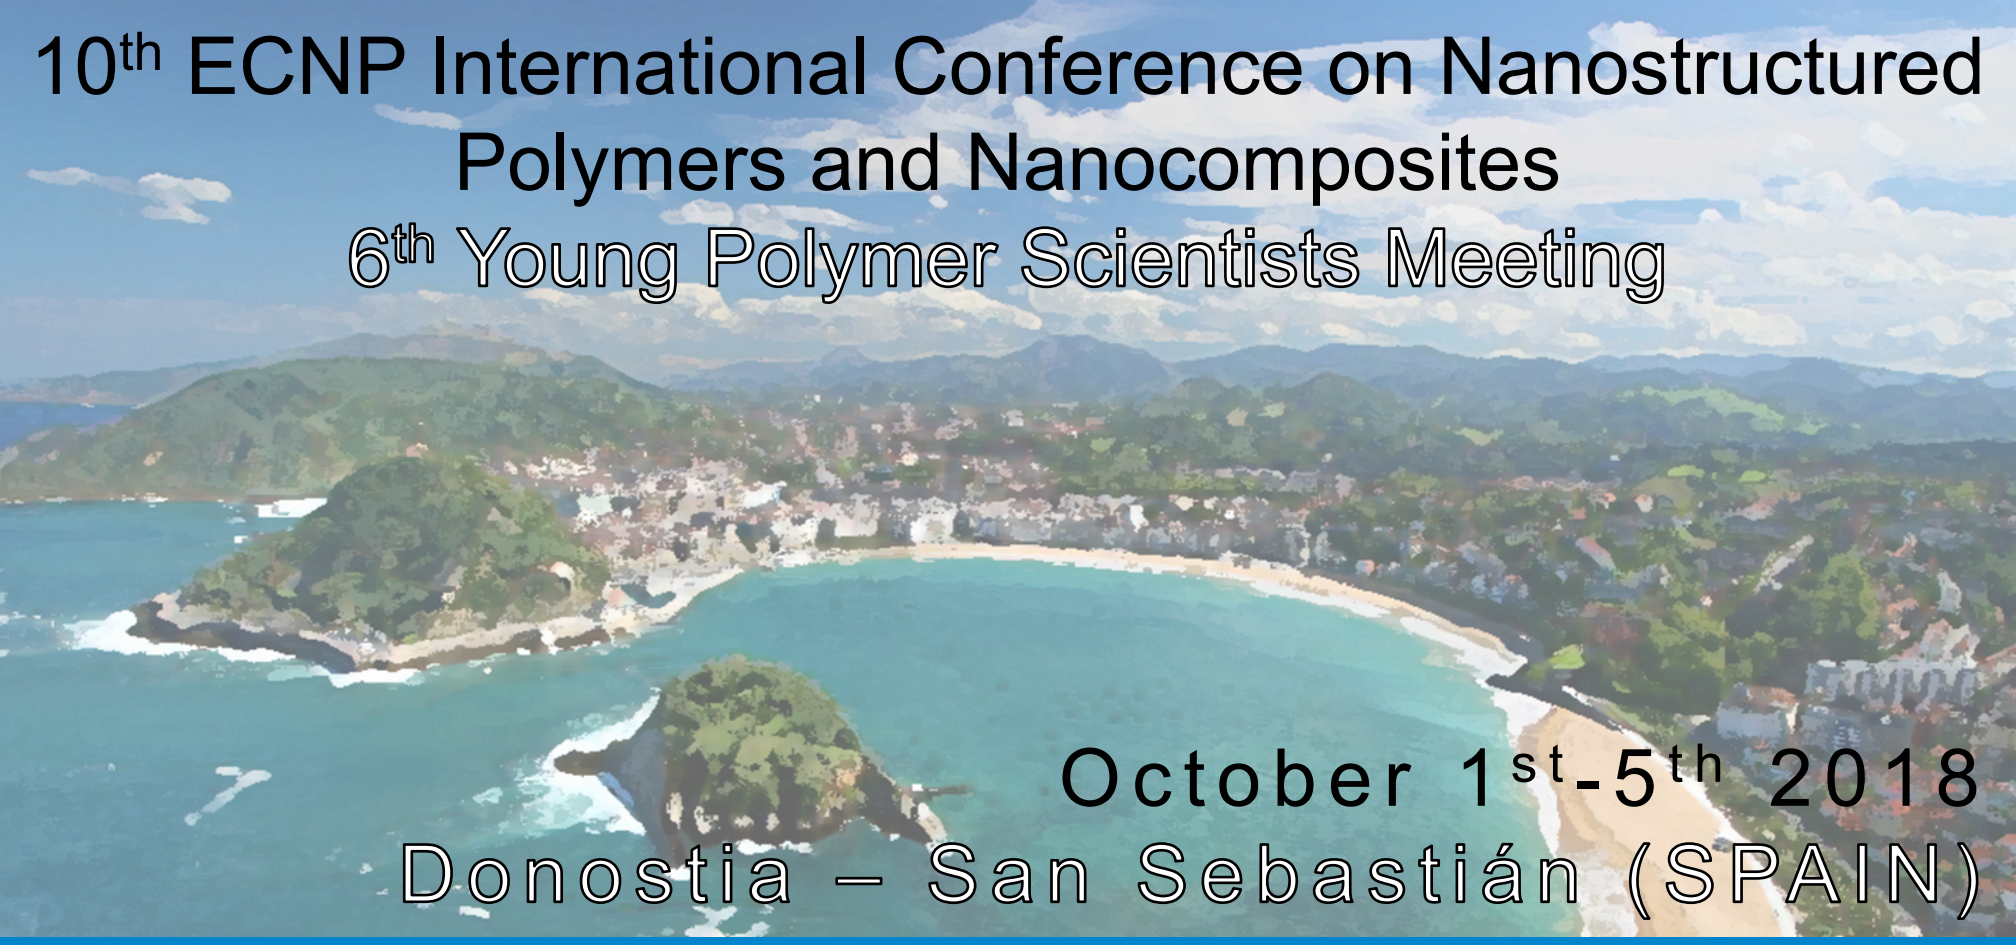
10th ECNP International Conference on Nanostructured Polymers and Nanocomposites

6th Young Polymer Scientists Meeting



October 1st-5th 2018

Donostia – San Sebastián (SPAIN)

CALL FOR ABSTRACTS

From March 1st to May 15th 2018

Confirmed Speakers

Juan **COLMENERO**, Centro de Física de Materiales

Marc A. **HILLMYER**, University of Minnesota

Rachel **O'REILLY**, University of Birmingham

Andreas **FERY**, Leibniz Institute for Polymer Research

Claudio **GERBALDI**, Politecnico di Torino

Sebastien **LECOMMANDOUX**, Bordeaux University

Christian **MÜLLER**, Chalmers University

Marian **PALUCH**, University of Silesia in Katowice

Maria **PAULIS**, Polymat UPV/ EHU

Rodney **PRIESTLEY**, Princeton University

Annette **SCHMIDT**, University of Cologne

Pilar **TIEMBLO**, Spanish National Research Council

Chairpersons

Carmen **MIJANGOS** (ICTP-CSIC) Spain

David **MECERREYES** (Polymat, UPV/ EHU) Spain

Debora **PUGLIA** (ECNP/UNIPG/INSTM) Italy

Scientific Topics

- Progress in polymer synthesis
- Structure of nanostructured polymers and nanocomposites
-Advanced processing and characterization techniques
-Modelling of process and properties
-Application of functional polymers in energy, optoelectronics, sensing, biomedicine and others
-Sustainable polymer chemistry (renewable resources, polymer recycling, biodegradable polymers)
