

JIP-JEPO2015

1st French-Spanish Joint Congress for Young Researchers in Polymers

Donostia-San Sebastian SPAIN
14-18 September 2015
Carlos Santamaría Center

 **DONOSTIA
SAN SEBASTIÁN**
TURISMO & CONVENTION BUREAU

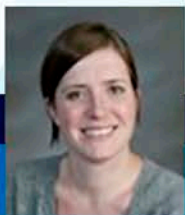

- ▶ This event puts together the 43rd JEPO Journées d'Etudes des Polymères and the JIP meeting of "Jóvenes Investigadores en Polímeros"
- ▶ The congress will consist of **one invited conference each day (45 min)** and **oral contributions from the congress participants (15 min)**.
- ▶ The language of the congress will be English.
- ▶ There will be a limited number of participants that will be selected upon abstract arrival.

Abstract submission will be open on January 15, 2015

Invited speakers

Prof. Rachel O'Reilly

University of Warwick
Polymer Nano-biomaterials

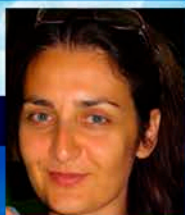

Prof. Juan Colmenero

University of the Basque Country
Polymer Physics

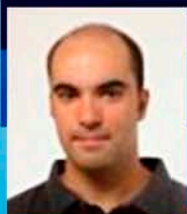

Prof. Muriel Lansalot

C2P2-Lyon · Controlled Radical
Polymerization and Hybrid Latexes

Prof. Juan Rodriguez-Hernandez

ICTP-CSIC · Micro/nanostructured
Interfaces: Fabrication and some Applications

Prof. Jeffrey Pyun

University of Arizona
Sulfur containing polymers for Batteries

Registration fees

GEP-GFP members

- ▶ Including accommodation 450 €
- ▶ Registration only 150 €
- ▶ **No GEP-GFP members (+50 € fee)**
