

## **PhD Fellowship in Polymerization Processes Group**

**One PhD** scholarship position is available in the Group of Polymerization Processes at POLYMAT Fundazioa ([www.polymat.eu](http://www.polymat.eu)), in a project funded by Spanish Ministry of Science.

We are seeking exceptionally talented and motivated students, having a solid background in polymers and a Master in Polymer Science, Chemistry, Chemical Engineering or related area.

Good command of written and spoken English is a must (if preselected, a telephone interview will be carried out before any other appointment is made). The selected candidate is expected to conduct research, write papers, and deliver a PhD thesis.

Applications should be addressed to Dr. Nicholas Ballard and sent via email in **one single PDF** to [nicholas.ballard@polymat.eu](mailto:nicholas.ballard@polymat.eu) before the 1st October 2024 (applications will be considered upon arrival) including:

- (i) A cover letter highlighting their interest in the position.
- (ii) Curriculum vitae.
- (iii) A short description of previous research (1-2 Pages).
- (iv) The names and contact addresses (e-mail) of two academic referees.
- (v) Transcript of records of BSc and MSc studies.
