

Postdoctoral Fellowship

A **Postdoctoral Fellowship** in Chemistry is available in the group of Hybrid Materials for Energy at POLYMAT, Basque Center for Macromolecular Design and Engineering (www.polymat.eu).

Applicants must have a **PhD in Chemistry** with extensive research experience in the preparation of organic materials for light harvesting and photovoltaics.

Good command of written and spoken English is a must (if preselected, a telephone interview will be carried out before any other appointment is made). The selected candidate is expected to conduct research, write reports, and papers.

Applications should be addressed to Prof. Dr. Juan Luis Delgado and sent via email in **one single PDF** to juanluis.delgado@polymat.eu before the 25/04/2022 (applications will be considered upon arrival) including:

- (i) a cover letter highlighting their interest in the position.
- (ii) curriculum vitae.
- (iii) a description of previous research (1-2 pages).
- (iv) the names and contact addresses (e-mail) of two academic referees.

Please note that *because of the large number of applications expected*, we will not be able to give individual *feedback* to unsuccessful applications.

POLYMAT has obtained the 'HR Excellence in Research award'. The award reflects our commitment to continuously improve our human resource policies in line with the European Charter for Researchers, the Code of Conduct for the Recruitment of Researchers and our commitment to achieve fair and transparent recruitment and appraisal procedures.
